

GABB COVID-19 Protocol October 2021

Games

Home team are responsible for confirming COVID compliance for both teams.

Away team to provide the home team with COVID compliance information 12 hours prior to the start of the game and provide details of who will be attending the game. Note that only one parent per member can attend a game.

If the attendance of parents would put the total number of attendees above the prescribed limit the game cannot go ahead unless the parents agree not to attend and allow supervision as per child safety guidance, or the player is withdrawn from the game. The limit cannot be exceeded. From September 20th 100 persons (including all participants and those required to facilitate the game) are permitted indoors until the 22nd of October. Spectators are required to wear facemasks.

Home team is responsible for retaining the COVID records for COVID tracing activities. Home team to confirm that the numbers do not exceed the capacity of the gym and that social distance can be maintained.

Home team to provide COVID questionnaires for match officials or spectators that could not complete the COVID questionnaire via the applicable apps. All records to be retained by the home manager.

Home team to complete sanitation of high contact areas and areas requested by the facility owners before and after the game.

Game ball(s) and hands to be sanitized prior to the game and at half time.
