

COVID-19 Protocol Juvenile Section

Manager/Coach

Training/Game requirements:

- Confirm attendance and the health screen completion in the Clubforce App.
- Hand sanitation every 30 minutes.
- Ball cleaning every 30 minutes. For games this can be completed at half time.
- Ball cleaning to occur off court and on opposite side of benches (games).
- If a player/management team member reports positive antigen or PCR Test the following is required:
 - Direct the infected individual to the National Government's Contact tracing procedures.
 - Contact all parents/members of the positive case to advise that an individual within that group has tested positive and to be vigilant of players presenting with symptoms.
 - If the team had played a game close to when the player tested positive contact the other team and notify them of the positive case.
 - Notify the Covid Officer Emma Croke of all positive cases on either (087) 9273627 or via email emmcrok@yahoo.com. Covid Incident Report forms are no longer required to be completed.
 - If a game has to be rescheduled due to Covid, you must contact the other team and notify them of the cancelled game. Email the Galway Area Board Fixtures secretary to notify them of the cancelled game via email to gabbfixtures@gmail.com. The onus is on the home team to reschedule the game and notify the GABB fixtures secretary of the new date, time & venue and to ensure a ref is available for this new date.

Player

Requirements for a player (if they develop symptoms):

- The player will have to stop activities and get tested.
- If the test is Positive then the player will be given advice from the doctor or Health Care Professional and should follow this advice. The HSE or the Public health medical advice team will give advice to the other people that were in close contact with the person.
- Our protocols remain, but the HSE and Medical advice team has to be followed above these protocols in a confirmed case situation.
